### **\*\* State Approval Required Prior To Examination**

**<https://portal.ct.gov/dcp> \*\***

1. Before an individual can take an examination for licensure, an application must be filed with the State of Connecticut, Department of Consumer Protection <https://portal.ct.gov/dcp>
2. Once an individual is approved, the individual's name is forwarded from the State of Connecticut, Department of Consumer Protection to PSI.
3. PSI will then send the applicant information on how to register to take the examination.
4. You must pass an examination to confirm that you have attained at least a minimum level of knowledge regarding the laws and regulations concerning the real estate profession.
5. You must submit the original examination passing score report(s), and the initial license fee, as indicated on such documents, to the Licensing Services. Payment of the license fee **MUST** be made within two (2) years of passing the last portion of the examination; otherwise a new application, along with the appropriate fee, must be submitted to the Department of Consumer Protection in order to be eligible to retest.

Once the Department of Consumer Protection has verified that you have met all of the requirements for licensure, they will issue the appropriate license.

The Connecticut Department of Consumer Protection, Occupational and Professional Licensing have contracted with PSI to conduct its examination program. PSI works closely with the Department of Consumer Protection to be certain that examinations meet local requirements and test development standards.

## TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

### IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

### TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions, and reviewing your answers.

### TEST QUESTION SCREEN

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

**IMPORTANT:** After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

### EXAMINATION REVIEW

PSI, in cooperation with the Connecticut Department of Consumer Protection, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. While taking the examination, examinees will have the opportunity to provide comments on any questions, by clicking the Comments link on the function bar of the test question screen.

These comments will be analyzed by PSI examination development staff. PSI does not respond to individuals regarding these comments. All substantive comments are reviewed. **This is the only review of examination materials available to candidates.**

---

## SCORE REPORTING

In order to pass the **Salesperson** examinations, you must receive a score of at least **70%**.

In order to pass the **Broker** examinations, you must receive a score of at least **75%**.

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If

you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type.

You may request a duplicate score report after your examination by emailing [scorereport@psionline.com](mailto:scorereport@psionline.com).

Now you can take the practice exam online at [National Real Estate Practice Examination](#) to prepare for your Connecticut Real Estate Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination. They ARE NOT a substitute for proper education and study. Furthermore, scoring well on the practice exam does not guarantee a positive outcome on an actual licensing examination.

Note: You may take the practice exams an unlimited number of times, however you will need to pay each time.

## DESCRIPTION OF EXAMINATIONS & EXAMINATION CONTENT OUTLINES

The Examination Content Outlines have been approved by the Occupational and Professional Licensing Division in conjunction with the Connecticut Real Estate Commission. These outlines reflect the minimum knowledge required by the real estate professionals to perform their duties to the public in a competent and responsible manner. Changes in the examination content will be preceded by changes in these published examination content outlines.

Use the outlines as the basis of your study. The outlines list all of the topics that are on the test and the number of items for each topic. Do not schedule your examination until you are familiar with all topics in the outlines.

The following Examination Summary Table shows the number of questions and the time allowed for each exam portion. The examinations are closed book.

EXAMINATION SUMMARY TABLE

The Martins tell you the house is exactly what they are looking for and they are very interested in purchasing it. You then give them information showing the various types of financing available with down payment options and projected payments.

Mr. Martin tells you they have been working with Mary Hempstead of XX Realty, a competing real estate company. Before leaving, you thank them for coming and give them your business card.
