TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the Department, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to candidates.**

SCORE REPORTING

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type. You must get 70% correct to pass.

You may request a duplicate score report after your examination by emailing scorereport@psionline.com.

PSI electronically notifies the Oklahoma Insurance Department of exam results within 48 hours of passing the exam. Note that exam scores are confidential and will be revealed only to you and the Department.

You can take a practice exam online at <https://test-takers.psiexams.com/okins> to prepare for your Oklahoma Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam.

Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

EXAMINATION CONTENT OUTLINES

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will not be scored. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

STUDY MATERIALS

Producer and Adjuster

The producer and adjuster licensing exams are based on the latest version of the Kaplan Study Guides. You may order the study guides from the OID and self-study. Some applicants prefer to complete an exam preparation course which will include study material that may or may not be the Kaplan material available at the OID. APPLYING FOR YOUR LICENSE

Successful completion and passing the examination does not eliminate the requirement to APPLY for the license: You must apply and be issued an Oklahoma insurance license in order to sell, solicit, or negotiate (or adjust) insurance in the state of Oklahoma. Oklahoma uses NIPR database system for processing license applications. You can call NIPR (816) 783-8500 should you need assistance with the online application.

After you have passed your exam:

- Wait 3 business days for your exam results to be transmitted to NIPR/SBS and the State.
- Access OID webpage and submit your online application:

Submit your producer or adjuster application at www.licensing.oid.ok.gov then click on the blue NEW APPLICATION button. Follow the online instructions.

Submit your Bail bond application at www.oid.ok.gov/regulatedentities/bail-bonds/ and follow the instructions provided under Licensee Online Tools in the red box.

READ ALL OF THE INSTRUCTIONS ON THE APPLICATION WEBPAGE. INCOMPLETE APPLICATIONS WILL CAUSE DELAYS AND MAY BE REJECTED BY THE OID WITHOUT A REFUND.

- Submitting an application does not mean that a license was approved or issued. You will be notified (at the contact email address entered on the application) when the application is approved or if the OID needs additional information. Producers/adjusters allow 5-7 business days for the OID to process the application. Bail Bond applicants should allow 60-90 days for processing.
- Access webpage www.licensing.oid.ok.gov and view the online tools available to you. You can check the status of your license, print your license, learn about CE requirements and view our CE course catalog. You alone are responsible for maintaining your license and keeping your information current with the OID. Utilize these tools to expedite service and perform basic maintenance. Call or email the OID Licensing Division if your answer has not been addressed on our webpage.
- Print your license. The OID is environmentally conscious and strives to maintain a paperless office. You will not receive a copy of your license from the OID, by mail. Please print a copy of your license using the tools available at www.licensing.oid.ok.gov.
- Plan for the future. Everything needed to manage your new license is on the OID's webpage. Licensees must meet their CE requirement prior to submitting a renewal application to the OID. Remember, individuals can only work as an insurance professional if their license is in ACTIVE status.
