The Office of Superintendent of Insurance (OSI) has contracted with PSI Services LLC (PSI) to conduct the examination program. PSI provides these examinations through a network of computer examination centers in New Mexico.

UNDERSTANDING LICENSING REQUIREMENTS

For licensing information, please contact:

Office of Superintendent of Insurance
Phone: (505) 827-4349
<https://www.osi.state.nm.us>
Email: agents.licensing@osi.nm.gov

New Mexico Insurance Code and New Mexico Administrative Code set forth the requirements for licensees, insurers and insurance products in the State of New Mexico. The New Mexico legislature may amend the statutes and the Office of Superintendent of Insurance may promulgate changes to administrative code or policies as necessary. Licensees must remain aware of changes in law, code and Department policies that affect their activities.

- For NM Administrative Code select Legal Information and Rulemaking from the OSI menu option on the OSI website at: <https://www.osi.state.nm.us/>
- To receive Department Regulatory bulletins and press releases, register online at: <https://www.osi.state.nm.us/en/about-us/newsletter/>

The Department grants licenses specifying one or more lines of license authority. Each license is only valid for the lines of license authority shown on the license.

Examination requirements do not apply to business entity licenses, and they do not apply to most nonresidents. Most residents and some nonresident adjusters must complete exams as shown in the table on the next page. Obtain additional license requirements from the Producer page of the Producer Licensing Bureau website.

NEW RESIDENT OF NEW MEXICO

If you hold a resident insurance license in another state and are relocating to New Mexico, you can request an exam waiver. To qualify for a license based on the Insurance Exam Waiver, an applicant must meet all of the following requirements:

- Become a resident of New Mexico.
- Has held a valid resident license with the equivalent line(s) of authority prior to applying for a New Mexico license.
- Submit a written request detailing the state where licensed, what exam was taken and when the licenses was issued.
- Submit the license application and pay the appropriate fees within 90 days of becoming a resident of New Mexico.
- Submit a copy of the fingerprint receipt.

Please note that requirements are subject to change. Please contact OSI directly at 505-827-4349 or email agents.licensing@osi.nm.gov for specific information that may apply at the time of your relocation.

NONRESIDENT APPLICANT FEES

EXAMINATION REVIEW

PSI, in cooperation with the OSI, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to candidates.**

SCORE REPORTING

You must get 70% correct to pass.

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type. You can view your score report from your online account.

You can take a practice exam online at <https://test-takers.psiexams.com/nmins> to prepare for your New Mexico Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam.

Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

EXAMINATION STUDY MATERIALS AND CONTENT OUTLINES

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will not be scored. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

STUDY MATERIALS

OSI does not specify an official study manual, nor are you required to take a pre-licensing study course. You are free to use materials of your own choosing to prepare for the license exam. However, because of the number, the diversity of approach and the currency of other publications, neither OSI nor PSI lists or recommends study materials.

You can access New Mexico statutes and insurance regulations at <https://www.osi.state.nm.us/MiscPages/insrulemakingandstatutes.aspx>.

NEW MEXICO OFFICE OF THE SUPERINTENDENT OF INSURANCE APPLICATION REVIEW PROCESS

It is your responsibility to ensure that you have completed the license application and other supporting documents fully, properly and accurately. If your application is incomplete, the Department will reject the application, delaying the licensing decision. After receiving your application, the Department has up to 10 days to determine whether it contains all required information and is therefore "administratively complete. These timeframes are the outer limits by which the Department must grant or deny a license application. The Department processes most license applications within 10 days.

After reviewing your application, the Department will either issue or deny the license. If the Department denies your application, the Department will send you a notice that describes the denial reason and your appeal rights.

The Department may deny a license for any cause listed in NMSA § 59A-11-14. If your application contains inaccurate or untruthful responses, or material omissions, the Department may deny the license and prevent you from being licensed in the future. If the Department issues a license and later discovers that the application was incomplete or contained erroneous, untruthful or materially incomplete information, the Department may fine you or revoke your license.

LICENSE EXPIRATION

When the OSI issues a New Mexico insurance license to someone who does not already hold a license, the initial license term is between 13-24 months and will expire on the licensee birth month. Future renewals will be a full two-year term expiring on the last day of the licensee birth month.

MAINTAINING YOUR LICENSE

Insurance professionals are responsible for complying with OSI insurance laws and rules, including but not limited to timely reporting changes of address and timely renewing insurance licenses.

NIPR: National Insurance Producer Registry

You can use the NIPR's website, at <http://www.nipr.com/> to report changes of email, address and telephone information at no charge.

LICENSE RENEWAL

An insurance professional may renew a license up to 90 days before the date the license expires. The licensee is solely responsible for renewing the license before its expiration. OSI may or may not remind the licensee of the need to renew a license.

You can use **NIPR** (<http://www.nipr.com/>) to renew your license online, More detailed information on license renewals can be found on the Department's website at: www.osi.state.nm.us

INSURANCE CONTINUING EDUCATION

The insurance continuing education requirements that you must satisfy depend upon the type of license you hold, when the license was issued and when the license expires. Specific requirements for each type of license can be found at: **www.osi.state.nm.us**.

Insurance continuing education applies to insurance producers, adjusters, bail bond agents, solicitors and limited surety.

Nonresidents who do not have an insurance continuing education requirement. A nonresident would only be required to complete insurance continuing education if the resident state did not have a continuing education requirement or if New Mexico is the designated home state.

Individuals who only hold a limited-line do not have an insurance continuing education requirement.

Long-term care training an accident and health or sickness insurance producer (resident or nonresident) who wants to sell, solicit or negotiate long-term care insurance must complete eight hours of approved long-term care training (LTCT) A resident licensee can apply hours of LTCT toward satisfying New Mexico CE requirement. Nonresidents can satisfy the LTCT requirement if they completed substantially similar courses in another state.
