UNDERSTANDING LICENSING REQUIREMENTS

For licensing information, please contact:

State of New Hampshire Insurance Department
License Division
21 South Fruit Street, Suite 14
Concord, NH 03301
Phone: 603.271.0203
www.insurance.nh.gov

New Hampshire statutes and regulations require that anyone who sells, solicits, or negotiates insurance, provides insurance advice for a fee or otherwise receives compensation for representing insurance to the public, be licensed.

The Department has a single producer licensing system. Producers may act as agents, brokers or consultants. To be an authorized agent for any company, an entity must be a licensed producer and the insurance company must register an agent appointment within 15 days of initiating business with a producer (RSA 402-J:14 Appointments and Authority).

Generally, if you are applying for a producer or adjuster license, you should:

1. Pass an exam to confirm that you have attained a minimum level of knowledge regarding the statutes and regulations affecting the insurance profession and the services you will sell or represent to the public.
2. Submit a completed license application and appropriate fees to the Department. Further information can be found at: <http://www.nh.gov/insurance/producers/license.htm>

Note: Passing an exam does not guarantee that you will be issued a license. If you take an exam unnecessarily or are found unqualified, neither the exam fee nor the license-processing fee will be refunded.

EXAM WAIVERS

If you have a CPCU designation and are applying for a Property and Casualty license, you only need to take and pass the New Hampshire Property and Casualty Insurance Laws and Regulations (12-81) exam or the New Hampshire Adjuster's Property and Casualty Insurance Laws and Regulations (12-83) exam.

If you have a CLU designation and are applying for only a Life license, you need only take and pass the New Hampshire Life Insurance Laws and Regulations (12-78) exam; if you are applying for only an Accident and Health license, you only need to take and pass the New Hampshire Accident and Health Insurance Laws and Regulations (12-79) exam; or if you are applying only for the Life, Accident and Health license, you only need to take the New Hampshire Life, Accident and Health Insurance Laws and Regulations (12-80) exam.

TEMPORARY LICENSES

The Commissioner may issue a temporary license that will allow you to serve as a producer for up to six months without taking an examination. In general, temporary licenses are intended for use when extenuating circumstances exist that require a designee to substitute for the producer (e.g., death or induction into active military duty of an active agent or broker). The Commissioner may grant a temporary license if, in his opinion, such action would best serve the public interest. (For more information, please contact the Department.) Please refer to RSA 402-J:11.

RESIDENCY REQUIREMENTS

Requirements for licensing vary according to whether the applicant currently resides in New Hampshire or outside the state.

Residents

Residents must successfully complete the appropriate examination for the license type and lines of authority sought, and submit the appropriate application and fees.

New Residents

If you are a new resident of New Hampshire and have, within the past 90 days, held a producers license in another state, no exams are required. If you are applying for a Property & Casualty Adjuster license, you must successfully complete the New Hampshire Adjuster's Property and Casualty Insurance Laws and Regulations (12-83) exam. In all cases, you must relinquish the resident license from your previous state.

The Laws and Regulations exams are not available for Workers' Compensation Adjusters or Public Adjusters.

Nonresidents

If you are applying for a nonresident license and hold a similar license in your home state, you will not have to take an exam. If you are applying for an adjuster license, you will need to be licensed in your resident state, designated home state or have 6 months verifiable experience in the lines of authority that you are seeking in New Hampshire.

Note

Nonresident individual producers and claims adjusters with resident or designated home state licenses are required to apply for original and renewal licenses online with the NAIC at the National Insurance Producer Registry at <http://www.nipr.com/>.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered via computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semi-private testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your examination time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

One question appears on the screen at a time. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

After you have entered your responses, you will later be able to return to any question(s) and change your response, provided the examination time has not run out.

EXAMINATION REVIEW

PSI, in cooperation with the Department, will be consistently evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered by clicking the Comments link on the function bar of the test question screen.

Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to candidates.**

SCORE REPORTING

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type.

You may request a duplicate score report after your examination by emailing scorereport@psionline.com.

You can take a practice exam online at <https://test-takers.psiexams.com/nhins> to prepare for your New Hampshire Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam.

Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination.

Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

EXAMINATION STUDY MATERIALS AND CONTENT OUTLINES

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will not be scored. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

STUDY MATERIALS

The Department does not specify an official study manual, nor are you required to take a pre-licensing study course. You are free to use materials of your own choosing to prepare for the license exam. However, because of the number, the diversity of approach and the currency of other publications, neither the Department nor PSI lists or recommends study materials.

CONTENT OUTLINES

Licenses for the major lines such as Life, Accident and Health, or Property and Casualty are attained by taking a comprehensive exam. Each exam will cover the New Hampshire statutes and general insurance principles sections, as well as the specific content for each line.

Note The results of the combination Life, Accident and Health examinations are reflected in one final score. You must pass the complete examination to qualify for a license.

Ensuing expiration dates will be every two years thereafter. Adjuster licenses expire on the second October 1 after issue and every two years thereafter.

CONTINUING EDUCATION

The Department administers the Continuing Education (CE) program internally with assistance from NAIC partner, State Based Systems (SBS). The Department will approve courses, bank credits and calculate compliance.

All resident producers licensed for Life, Accident and Health, Property and Casualty, and Personal lines are required to satisfactorily complete 24 hours of CE credits in each renewal cycle, which should include at least three (but not more than 10) producer ethics credits. All CE requirements must be completed 60 days prior to the expiration date of the license.

The New Hampshire Legislature has also approved CE requirements for resident and non-resident adjusters designating New Hampshire their 'designated home state'. To designate New Hampshire the home state, the appropriate adjuster NH exam must be passed.

All resident claims adjusters and those declaring NH their Designated Home State (DHS) must meet the requirement of 24 CE hours every two years which must include at least three (but not more than 10) adjuster ethics credits. All workers' compensation adjusters must complete 24 CE hours, of which at least 10 credits must be in workers' compensation credits and at least three (but not more than 10) credits in adjuster ethics.

All Resident public adjusters must meet the requirement of 15 CE hours every two years including 3 hours of public adjuster ethics. Nonresident public adjusters are exempt from the CE requirement if they can prove compliance with their resident state's substantially similar CE requirement. Nonresident claim adjusters are exempt from NH continuing education unless they have selected NH as their designated home state.

Note More information about the State of New Hampshire Continuing Education (CE) program can be found online at <https://www.insurance.nh.gov/producersadjusters/continuing-education>.
