EXAMINATIONS BY PSI

This Candidate Information Bulletin provides you with information about the examination and application process for becoming licensed as a contractor in the State of Nevada.

Nevada State law requires contractors to be licensed and regulated by the Nevada State Contractors' Board. Eligibility for examination is determined by the Board.

The State Contractors' Board has contracted with PSI licensure:certification (PSI) to conduct its examination program. PSI provides examinations through a network of computer examination centers in Nevada. PSI works closely with the State to be certain that examinations meet local as well as national requirements in basic principles and examination development standards.

HOW TO OBTAIN A LICENSE

Visit www.nscb.nv.gov to complete the online application form or download the application packet. Questions concerning the application process should be directed to the Nevada State Contractors Board.

If the Board accepts your qualifications to register for an examination, the Board will mail you a Candidate Eligibility letter, along with the Candidate Information Bulletin, which contains the PSI Registration Form and instructions for selecting an examination date.

Each applicant is required to submit a set of fingerprints for the purpose of conducting a state and national fingerprint-based criminal history record.

All questions and requests for information about examinations should be directed to PSI.
