This 15-day submission will begin either from the day the insurance company signs a contract with the producer, or, upon the insurance company's receipt of the first piece of business from the producer. Arkansas insurance companies must submit the Arkansas Request for Appointment form for each producer they certify via www.nipr.com. All appointments, Life and/or Health authorities, Property and Casualty are renewed annually on June 1. The payment of the appointment renewal fee is the responsibility of the insurance company.

Insurance companies must send a new Arkansas Request for Appointment form for any producer whose authority is amended or changed. Fees for amending or changing authority are the same as for appointment (shown above).

APPOINTMENT TERMINATION REQUEST

If an insurance company wishes to terminate a producer or agency, the Arkansas appointment termination is submitted via www.nipr.com. A \$10 fee is required for each appointment termination.

ADMINISTRATIVE SUPPORT SERVICES

The Arkansas Insurance Department will provide home state certification, clearance letters, or printouts of a producer's record. All administrative services requests must be forwarded to the Arkansas Insurance Department with the producer's name and license number. Fees vary. Producers may contact the Insurance Department for a current listing of these fees.

CHANGE OF NAME OR ADDRESS

Producers must report any change in address or name to the Arkansas Insurance Department within thirty (30) days of the change. Address changes can now be made online via www.nipr.com.

EXAMINATION INFORMATION

EXAMINATION STUDY MATERIALS

The examination content outlines in this bulletin are the basis for the examinations and are updated periodically. Each approved prelicensing provider is given a copy of the exam content outlines listed in this bulletin for use in developing a course of study and any materials used in the course. It is the provider's responsibility to ensure that all study materials are updated to comply with the current exam content outlines.

Licensing candidates should be aware that they will be tested on the subject matter shown in these outlines and should therefore hold the course provider accountable for covering all the topics noted herein.

Applicants may wish to go to the library to review a standard statute reference for Arkansas. Statutes are also available from the office of the Secretary of State for Arkansas.

EXPERIMENTAL QUESTIONS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of "experimental" questions may be administered to candidates during the examinations. These questions will not be scored. However, these questions will count against examination time. The administration of such unscored, experimental questions is an essential step in developing future licensing examinations.

You can take a practice exam online at <https://test-takers.psiexams.com/arins> to prepare for your Arkansas Insurance Examination.

Please note that practice exams are intended only to help testing candidates become familiar with the general types of questions that will appear on a licensing examination, and do not contain actual questions that are asked on the exam.

Practice exams ARE NOT a substitute for proper education and study. Scoring well on the practice exam does not guarantee that you will pass an actual licensing examination. Note: You may take the practice exams an unlimited number of times; however, you will need to pay each time.

The following outlines describe the content of each of the Arkansas Insurance Examinations. These outlines are the basis of the examination. Each examination will contain questions about the subjects in its outline. The examinations are closed book. No reference materials, papers or study materials are allowed at the examination site.
