## PSI NATIONAL TESTING - GENERAL INFORMATION

This Test Taker Guide (TTG) provides test takers with information about the PSI National Tests and application process for taking a cosmetology test with the Michigan Board of Cosmetology.

The Michigan Department of Licensing and Regulatory Affairs (referred to as the Department) has contracted with PSI Services LLC (PSI) to conduct the PSI National Barber/Cosmetology Testing Program. PSI works closely with the Department to make certain that these examinations meet the State's as well as nationally established technical and professional standards for test development and administration. PSI provides these tests through a network of computer and practical testing centers in Michigan.

### TEST ELIGIBILITY

Before applying to PSI to take your licensing examination(s) you must first access the State of Michigan's MI Plus website located at [www.michigan.gov/miplus](http://www.michigan.gov/miplus), and apply for licensure. Only the State of Michigan may determine your eligibility for a license.

**Please note: The passing of Michigan Senate Bill 702 increases the training hours needed for Cosmetology Instructors. Test takers who began training prior to July 1, 2024, must meet the prior training requirements and curriculum requirements found in the current administrative rules. Test takers that start training on or after July 1, 2024, must satisfy the new 600-hour requirement in the updated law statute while completing the curriculum requirements outlined in the current administrative rules for cosmetology.**

### APPLICATION TO TEST

**Instructor Only** Test takers are encouraged to use the online application process option for application to test. Please see steps below for applying online. For application questions, please email: [MI.ApplicationProcessor@psionline.com](mailto:MI.ApplicationProcessor@psionline.com)

- 4- When the PSI account Sign In or Creation is completed. The application information will then be displayed.
- 5- The application will begin and move through the pages as the test taker fills in or reviews the information provided. Please submit when finished.

We recommend not scheduling a test until a test taker is familiar with all topics in the outline. The Instructor test consists of 60 scored questions and 5 non-scored experimental questions. ## THEORY SCORE REPORTING INFORMATION

Test takers must score at least 75% to pass the national instructor theory test.

- Test Scores will be emailed to the test taker within 5 days of completion of their test.
- Test scores WILL NOT be provided at the testing facility and WILL NOT be verified or released over the phone.

To better prepare for the PSI National Instructor Theory test, test takers can now review by taking an online practice test. Practice tests are intended to aid test takers with example test questions. The purpose is to familiarize a test taker with the general types of questions that will appear on an instructor test. Though questions are based on cosmetology, these questions are NOT a substitute for education and study. Scoring well on the practice test also will not guarantee a positive outcome on the actual licensing test. This is the ONLY official PSI practice test; PSI does not recognize nor endorse any other study guides that may be offering information on the PSI National Cosmetology Program. The PSI practice tests are offered to review an unlimited number of times; however, a fee is assessed for each time the test is utilized for review.

- has a high school diploma or its equivalent; and
- have successfully completed a course of study of at least \*\$\$ hours; OR
- Has not less than 3 years practical experience in natural hair cultivation, hair care services, skin care services, and manicuring service, not less than 1 year of which must be in a cosmetology establishment.
- A false statement or dishonest answer on the license application may be

1) grounds for denial of licensure;

2) grounds for disciplinary action against any future license; or

3) punishable by law. Furthermore, any conviction(s) for which you did or could have gone to jail may delay your application for a license.

If licensure is denied, this action may be appealed to the Board of Cosmetology. After the State of Michigan determines your eligibility to test and receive a license, an electronic file will be submitted to PSI. It is at this time that you may submit your completed Examination Registration Form (found at the back of this Candidate Information Bulletin) to PSI.

When you have finished the Examination Registration Form in its entirety, please email the form to:
