A MESSAGE FROM THE COMMISSIONER

This Candidate Information Booklet provides information about the examination and application process for becoming licensed to sell, solicit, negotiate or provide insurance or other services and products in the Commonwealth of Pennsylvania.

Before being issued a license, you must pass an examination to prove your knowledge of insurance statutes, regulations, products and services. When you have successfully completed your examination, you will be eligible to apply to the Pennsylvania Insurance Department (the Department) for your license.

The Department has contracted with PSI to conduct its examination program. The Department and PSI work together to ensure that examinations meet statutory requirements and professional exam development standards.

Once a license is issued to an individual as an insurance producer, the licensee may then secure insurer appointments to represent the specific insurer if so desired. Please remember that you may not engage in the business of insurance or viatical settlements until the Department has issued to you one of the various licenses explained in this Candidate Information Booklet.

We wish you well in preparing for your examination and remind you that Act 147 of 2002 requires all insurance producers to complete 24 credit hours of continuing education courses each biennial license cycle to be eligible to renew their license.

Any questions about the license examinations should be directed to PSI. After you have successfully completed your examination(s), questions regarding the application process to obtain your license should be directed to the Department's Bureau of Licensing and Enforcement via e-mail at ra-in-producer@pa.gov.

THE LICENSURE PROCESS

You must be licensed to sell, solicit or negotiate insurance in the Commonwealth of Pennsylvania, or be appropriately licensed to transact other insurance related functions such as appraise physical damage to motor vehicles. To be licensed there are various requirements you need to fulfill testing requirements. The licensing requirements are different, depending upon which license you would like to apply for and your status as a resident or a non-resident applicant.

To be licensed, you must:

- Pass the required examination(s) for the type of license you are applying for; and
- After passing the examination use the kiosk at the PSI test site to complete your license application online at www.sircon.com/pennsylvania or www.nipr.com, or you may apply using your own computer.
- If required, submit applicable application materials

Note: Passing an examination does not guarantee that you will be issued a license. You must submit your license application to the Department within one year of passing the exam. Issuance of a license depends on review and approval of all license application materials.

Nonresident applicants shall be subject to the same burdens or prohibitions placed upon Pennsylvania residents who apply for a nonresident license in their home state.

Examinations for any lines of authority (other than Title Insurance) will be waived for a nonresident insurance producer license, provided that: 1) the application is for the same line of authority held in the applicant's "home" state; and 2) the applicant's home state grants a waiver of examination to Pennsylvania resident insurance producers. See section 40 P.S. 310.10.

Note: Nonresident title insurance agent license applicants **must pass** the Title Insurance Agent examination and submit fingerprints.

Surplus Lines Producer license

A nonresident Surplus Lines Producer license may only be obtained for the purpose of placing business on behalf of a Pennsylvania resident with an eligible surplus lines insurer. An applicant shall:

FINGERPRINT REQUIREMENTS

Act 147 of 2002, 40 P.S. 310.5, requires initial resident insurance producer applicants to provide fingerprint samples to the Pennsylvania Insurance Department. The Department uses this information to receive national criminal history background information from the Federal Bureau of Investigation (FBI). This applies to all initial applicants for a resident insurance producer license and applicants for a nonresident insurance producer license who do not qualify to apply for a license under reciprocity.

Note Limited Lines applicants who do not need to take an examination, still need to submit fingerprint samples. Title

agent applicants do need to take an examination and submit fingerprint samples.

Fingerprints are not required for the following applicants: Motor Vehicle Physical Damage Appraiser (MVPDA), Non-resident Public Adjuster, Non-resident Producer, Viatical Settlement Broker, Surplus Lines, Add qualification applicants (those already licensed and wish to add a line of authority to your existing license).

FINGERPRINT PROCESS

The following fingerprinting guidelines apply to applicants for a new insurance producer license or title agent license:

- After passing the examination use the kiosk at the PSI test site to complete your license application online at www.sircon.com/pennsylvania or www.nipr.com, or you may apply using your own computer.
- Fingerprinting is required of all applicants for a new resident producer license and must be done at an IdentoGO enrollment center. Applicants are required to register online via the IdentoGO website at <https://uenroll.identogo.com> or by telephone at 844-321-2101 Monday through Friday, 8 A.M. to 6 P.M. EST. Following registration, the applicant will be provided with a registration number which they will take with them when they go to the IdentoGO site for fingerprinting. Applicants must be registered with IdentoGO prior to arriving at a fingerprinting site. When registering online an applicant must use the appropriate service code assigned to the Insurance Department, which is 1KGBGJ. Using the correct service code ensures the background check is processed for the correct agency and submitted for the correct purpose.
- Payment is made at the IdentoGO center after the applicant's fingerprints have been submitted. Credit card, debit card, certified check or money order, are the only payment methods accepted. No cash transactions or personal checks will be accepted.
- As a reminder, individuals should not register for a fingerprinting appointment and submit their fingerprints until after they have passed any examination requirements and applied for licensure. Any fingerprint results received without a corresponding license application will be destroyed, and individuals will be required to repay the fingerprinting fee and resubmit their fingerprints at an IdentoGO center.

Fingerprint results will be returned to the Department from the FBI. The Department will review and evaluate the results as well as the license application to determine if all standards for licensure have been met.

EXAMINATION REVIEW

PSI, in cooperation with the Department, will be continually evaluating the examinations being administered to ensure that the examinations accurately measure competency in the required knowledge areas. Comments may be entered on the computer keyboard during the examination. Your comments regarding the questions and the examinations are welcomed. Comments will be analyzed by PSI examination development staff. While PSI does not respond to individuals regarding these comments, all substantive comments are reviewed. If a discrepancy is found during the comment review, PSI and the Department may re-evaluate candidates' results and adjust them accordingly. **This is the only review of the examination available to you.**

SCORE REPORTING

Your score will be displayed on screen at the end of the examination and a score report will be emailed to you. If you fail, the emailed score report will include the diagnostic report indicating your strengths and weaknesses by examination type. You may request a duplicate score report after your examination by emailing scorereport@psionline.com.

EXPERIMENTAL ITEMS

In addition to the number of examination items specified in the "Examination Content Outlines", a small number (5 to 10) of

"experimental" questions may be administered to candidates during the examinations. These questions will not be scored and sufficient time to answer them is included in the examination time. The administration of such non-scored experimental questions is an essential step in developing future licensing examinations.

OBTAINING YOUR LICENSE

Immediately after you pass your examination, use the kiosk at the PSI test site to complete your license application online at www.sircon.com/pennsylvania or www.nipr.com, or you may apply using your own computer. If you are applying for a new resident insurance producer license or title agent license, you will also be required to provide fingerprints.

NOTE: You must provide fingerprints to permit the Department to obtain a criminal history record report from the FBI. See page 3 for details.

It is your responsibility to ensure that the application has been properly completed and that the information is accurate. Applications that are found to contain inaccurate or untruthful responses may be denied. The Department strongly suggests that you complete the paper application for an individual resident insurance producer found online at www.insurance.pa.gov and retain it as a reference to expedite submitting your application electronically at the exam center.

STATUS OF LICENSE

After the Department has verified that you have passed the required examination and that you have met all standards for licensure, the Department will issue the appropriate license. The license will list the line or lines of authority granted, if applicable. You may view the status of your license application on the Department's Web site at www.insurance.pa.gov. Once your license has been issued, you may print your license from the web site. Please be advised that the Department no longer mails licenses.

INITIAL INSURANCE PRODUCER FEES

- Resident insurance producer or title agent application fee = \$55
- Non-resident title agent application fee = \$110
- Fingerprinting fee (paid at an Identogo enrollment center upon fingerprint submission)
- Online service fees (if submitting your licensing application electronically) will be charged and may vary - the approximate fee is \$12.50

PAPER APPLICATIONS

The option to apply using a paper application is only available if you are unable to apply online. Be advised that the paper licensing process will take considerably longer than the electronic method. If you must apply via paper, an application can be obtained from the Department's web site at www.insurance.pa.gov. You must include a cover letter explaining why you are unable to apply online; otherwise, the application will be returned along with a letter telling you to apply online.

OTHER LICENSE APPLICATION FORMS

Different application forms are required for Partnerships or Corporations, Surplus Lines Producers, Viatical Settlement Brokers, Motor Vehicle Damage Appraisers and Public Adjusters. All applications are available from the Department's web site at www.insurance.pa.gov or upon request from the Department. Again, to expedite review of your application, you should file your application via Vertafore/SIRCON at www.sircon.com/pennsylvania and pay appropriate fees with a credit card.

The examination content outline and more specific information on taking this examination is available in the **Pennsylvania Public Adjuster Candidate Information Booklet** located online at <https://test-takers.psiexams.com/pain>.

CONTINUING EDUCATION

Licensed insurance producers are required to complete a minimum of 24 hours of continuing education credits to maintain their license. Failure to complete the minimum 24-hour requirement during your two-year licensing cycle will result in the termination of your license. See www.insurance.pa.gov for more information.

Insurance producers should not take any approved CE courses until they receive their license as they will not receive credit for any course taken before the issue date of their license. Information on continuing education can be obtained from the Department's web site at www.insurance.pa.gov or by calling 717-787-3840.

ADDITIONAL LICENSING INFORMATION

Additional appointments. To obtain appointments with additional companies, for powers for which you are already qualified, you must enter into an agreement with the new company regarding the additional appointment. The insurance company is then responsible for reporting the appointment information to the Department. Title agents must have an appointment by a title insurer prior to transacting any business (40 P.S. 910-24.1).

Amended license. An amended license consists of adding an additional line of authority or status to an active license.

There is a \$25 fee to amend an existing active license. An amended licensing application can be submitted online at www.sircon.com/pennsylvania. No Fingerprint submission is required to amend a license by adding a line of authority to an existing active producer license.

Reporting requirements. All licensees are required to report name or address changes as well as criminal charges and convictions to the Department within 30 days.

Uniformity of licenses. A corporation or partnership must be properly licensed. In order for a partnership or corporation to be licensed, there must be a licensed individual designated as the responsible licensee for the entity (corporation) and hold the same line(s) of authority the entity is requesting.

Corporations. Business entities (corporations and partnerships) should submit a licensing application online at www.sircon.com/pennsylvania.

Fictitious Names. For any licensee, any assumed or fictitious name, style or designation must be filed with the Department for approval prior to using the alias or fictitious name. See instructions for this process at www.insurance.pa.gov.
