PURPOSE

This bulletin is designed to provide you with general information regarding the Bureau of Security and Investigative Services' (BSIS) Private Investigator Examination processes.

EXAMINATION DEVELOPMENT

The Private Patrol Operator Qualified Manager examination is developed and maintained by the Office of Professional Examination Services (OPES), a division of the California Department of Consumer Affairs. OPES staff include testing specialists who are trained to develop and analyze occupational licensure examinations. Individual multiple-choice questions are developed in Examination Development Workshops by licensees serving as Subject Matter Experts. Each question is carefully researched and validated with published references to ensure accuracy and consistency with entry level practice.

ESTABLISHING THE PASSING STANDARDS

A licensing examination determines whether an examinee is competent to practice, not whether the examinee performs better or worse than others who take the test.

In accordance with Business and Professions Code section 101.6, the purpose of Boards, Bureaus and Commissions is to "...establish minimum qualifications and levels of competency and license persons desiring to engage in the occupations they regulate upon determining that such persons possess the requisite skills and qualifications necessary to provide safe and effective services to the public, or register or otherwise certify persons in order to identify practitioners and ensure performance according to set and accepted professional standards."

EXAMINATION REGISTRATION, PAYMENT, AND SCHEDULING PROCEDURES

Once you have been approved by BSIS, you are responsible for contacting PSI to schedule an appointment to take the examination. You may do so via the internet at <https://test-takers.psiexams.com/cabsi>, or schedule over the telephone at (877) 392-6422, TTY (800) 735-2929.

- **FIRST TIME EXAMINEES:** Examination eligibility expires, and an application is deemed abandoned, if the applicant fails to sit for the examination within one year after being notified of eligibility.
- **RE-EXAMINATION APPLICANTS:** Examination eligibility expires, and an application is deemed abandoned, if an applicant fails any written examination and does

not retake the examination within one year after initially being notified of eligibility.

In most California test centers, testing does not take place on the following major holidays:

Labor Day
Thanksgiving Day and the Friday after
Christmas Eve and Christmas Day
New Year Day
Martin Luther King Jr
Memorial Day
Independence Day

INTERNET SCHEDULING

You may schedule your examination by completing the online Test Registration Form, which is available at PSI's website, <https://test-takers.psiexams.com/cabsi>.

Log onto PSI's website and select Sign in / Create Account. Select Create Account. You are now ready to pay for and schedule the examination. Enter your zip code, and a list of the test centers closest to you will appear. Once you select the desired test center, available dates will appear.

TELEPHONE SCHEDULING

You may call PSI at (877) 392-6422, Monday through Friday between 4:30 a.m. and 7:00 p.m., or Saturday and Sunday between 6:00 a.m. and 2:30 p.m., Pacific Time, to schedule your appointment for the examination.

CANCELING AN EXAMINATION APPOINTMENT

You may cancel and reschedule an examination appointment without forfeiting your fee ***if your cancellation notice is received two (2) days prior to the scheduled examination date.*** For example, for a 9:00 a.m. Monday appointment, the cancellation notice would need to be received ***before 9:00 a.m.*** on the previous Saturday. You may call PSI at (877) 392-6422.

Note: A voicemail or email message is not an acceptable form of cancellation. Please use the PSI website, or call PSI and speak to a Customer Service Representative.

MISSED APPOINTMENT OR LATE CANCELLATION

If you miss your appointment, you will not be able to take the examination as scheduled. Further, you will forfeit your examination fee, if:

- You do not cancel your appointment 2 days before the scheduled examination date;
- You do not appear for your examination appointment;
- You arrive after examination start time; or
- You do not present proper identification when you arrive for the examination.

TAKING A RE-EXAMINATION

Candidates who fail the examination are eligible to re-take it. An Application for Reexamination form will be provided with the score report at the test center or may be obtained by contacting BSIS. EXAMINEES MUST PARTICIPATE IN AND PASS THE EXAMINATION WITHIN ONE YEAR OF RECEIVING THE INITIAL ELIGIBILITY NOTIFICATION.

TEST CENTER CLOSING FOR AN EMERGENCY

In the event that severe weather or another emergency forces the closure of a test center on a scheduled examination date, your examination will be rescheduled. PSI personnel will attempt to contact you in this situation. However, you may check the status of your examination schedule by calling (877) 392-6422. Every effort will be made to reschedule your examination at a convenient time as soon as possible. You will not be penalized. You will be rescheduled at no additional charge.

TESTING ACCOMMODATIONS AVAILABLE

If you need testing accommodations to take the examination, call the BSIS Licensing Unit at 916-322-4000 to request a Testing Accommodations form. They will mail you the form, which must be completed and returned with your license application. You will be required to explain the disability and what testing accommodations are needed. A letter from your health-care provider must be included, confirming the disability and justifying the need for testing accommodations using the criteria in the request form.

NOTE: English as a second language is NOT a disability, and testing accommodations are not granted.

If you arrive late, you may not be admitted to the test center, and you may forfeit your examination registration fee. Even though candidates will have their thumbprint taken, you are still required to comply with any identification requirements established by the appropriate regulatory entity.

REQUIRED IDENTIFICATION AT THE TEST CENTER

You must provide one of the following valid forms of government-issued identification before you may examine:

All photographs must be recognizable as the person to whom the identification card was issued. The name on the application must match the photographic I.D. card.

If you cannot provide the required identification, you must call (877) 392-6422 at least 3 weeks prior to your scheduled appointment to arrange a way to meet this security requirement. *Failure to provide all of the required identification at the time of the examination without notifying PSI is considered a missed appointment, and you will not be able to take the examination.*

CALIFORNIA LAW SECURITY PROCEDURES

In addition to any other penalties, a person found guilty of violating this section, shall be liable for the actual damages sustained by the agency administering the examination not to exceed ten thousand dollars (\$10,000) and the costs of litigation.

IMPORTANT INFORMATION ABOUT TAKING THE EXAMINATION

1. All candidates will have their thumbprint taken during examination check-in. The thumbprint must be matched after candidates return from a restroom break and any time the candidate leaves and returns to the test center after check-in.
2. The temperature in the testing room is maintained at a moderate level. Candidates are advised to layer clothing. Acceptable layered clothing includes lightweight shirts, sweaters, and pullovers without pockets or hoods. These items must be worn upon check-in, while you wait to enter the testing room, and during your initial seating for the examination. If the layered item is removed during the examination, you will be required to store it in the lobby while time continues to count down on your examination. Outerwear (coats, heavy jackets, vests, shawls, scarves, etc.) is not allowed in the testing room.
3. There are timing mechanisms available in the testing room and on the computer console to help candidates keep track of time during the test administration. Candidates are not permitted to bring watches or other timekeeping devices into the testing room.
4. Only one candidate at a time will be allowed to take a restroom break. Candidates are required to sign out when leaving and returning to the testing room. If a candidate's restroom break takes longer than 5 (five) minutes, a proctor will check on the candidate and will notify the applicable regulatory entity of the occurrence. The regulatory entity will investigate and take appropriate action.
5. The following is a non-exhaustive list of personal items that are not permitted in the testing room:

Purses	Briefcases/daypacks/luggage
--------	-----------------------------

Cellular phones	Pagers
Drinks (including water)	Food/candy/snacks/gum

*****Drugs that are medically necessary during the pendency of the examination may be brought into the test center, in a container bearing a proper prescription label with the name of the candidate and of the drug; any such medication is subject to examination by a proctor upon check-in.*

Examination proctors will have considerable discretion to refuse permission of clothing and/or items that compromise the integrity or security of the examination.

During the check-in process, all candidates will be asked if they possess any of the prohibited items, and all candidates will be asked to empty their pockets. If prohibited items are found during check-in, candidates must return these items to their vehicle or other place of safekeeping. Neither PSI nor the Department of Consumer Affairs will be responsible for the items. Any candidate possessing prohibited items in the testing room will have their examination results invalidated, and PSI will notify the appropriate regulatory entity of the occurrence.

6. Shoes must be worn at all times, and feet are not permitted on the chairs. Feet must remain on the floor during the examination.
7. Copying any portion of the examination content by any means or communicating examination content for the purpose of aiding its unauthorized reproduction, whether before, during, or after the examination, is a violation of PSI security policy and existing law. Either one may result in the disqualification or invalidation of examination results, the denial of your license, and may result in criminal prosecution.
8. If a candidate is asked by a proctor to step into the lobby during your examination, the proctor will suspend the candidate's examination, so all remaining testing time will be retained.

Only candidates, and those individuals with prior regulatory entity approval, are allowed to be present in the test center.

If candidates require that an exception be made to ANY of the abovementioned security procedures, candidates must contact

their regulatory entity PRIOR to the date of their examination. The regulatory entity must provide the exception to PSI. NO EXCEPTIONS WILL BE MADE ON THE DAY OF THE EXAMINATION.

TAKING THE EXAMINATION BY COMPUTER

The examination will be administered by computer. You will be using a mouse and computer keyboard.

IDENTIFICATION SCREEN

You will be directed to a semiprivate testing station to take the examination. When you are seated at the testing station, you will be prompted to confirm your name, identification number, and the examination for which you are registered.

TUTORIAL

Before you start your examination, an introductory tutorial is provided on the computer screen. The time you spend on this tutorial, up to 15 minutes, DOES NOT count as part of your testing time. Sample questions are included following the tutorial so that you may practice answering questions and reviewing your answers.

TEST QUESTION SCREEN

The “function bar” at the top of the test question screen provides mouse-click access to the features available while taking the examination.

One question at a time appears on the screen. During the examination, minutes remaining will be displayed at the top of the screen and updated as you record your answers.

TIPS FOR PREPARING FOR YOUR EXAMINATION

The following suggestions will help you prepare for your examination:

- Planned preparation increases your likelihood of passing.
- Start with a current copy of this Candidate Information Bulletin and use the examination content outline as the basis of your study.
- Read study materials that cover all the topics in the content outline.
- Take notes on what you study. Putting information in writing helps you commit it to memory, and it is also an excellent business practice. Underline or highlight key ideas that will help with a later review.
- Discuss new terms or concepts as frequently as you can with colleagues. This will test your understanding and reinforce ideas.
- Your studies will be most effective if you study frequently, for periods of about 45 to 60 minutes. Concentration tends to wander when you study for longer periods of time.

STUDY COURSES AND PUBLICATIONS

Some persons may offer examination preparation courses

or publications. We have no information to indicate that applicants who use these sources have a higher pass rate than those who do not. Training courses, other than BSIS specified courses (i.e., Powers to Arrest training), are not associated with BSIS. No publishers or training sponsors have legal access to BSIS’s examination materials. We make every effort to ensure that the contents of our examinations remain confidential and that the questions are changed frequently.

EXAMINATION RESULTS

At the end of your examination, you will receive a pass/ fail result notice. Your examination results are confidential and are released only to you and your state licensing agency. To protect your privacy and to maintain the confidentiality of examination results, score information is not given over the telephone.

DUPLICATE SCORE REPORTS

You may request a duplicate score report after your examination by emailing scorereport@psionline.com or by calling (800) 733-9267.

LICENSING INFORMATION

If you pass the BSIS examination, you will receive a letter from BSIS requesting confirmation of your Business Name, Business Address, and the initial license fee.

LICENSING FEE

You are not licensed until you pay your initial license fee, complete all licensing requirements, including clearances from the Department of Justice and the Federal Bureau of Investigations, and your license number has been issued by BSIS. To obtain your license, complete the confirmation letter and return it with the required licensing fee. Make your check or money order payable, and mail to:

Department of Consumer Affairs
Bureau of Security and Investigation Services
PO Box 989002
West Sacramento, CA 95798

If you have met the listed requirements above, your license number will be available approximately four weeks after your confirmation letter is received by BSIS. Please indicate if there has been any change to your address. It is vital that you keep BSIS informed of your current address. The California Code of Regulations Section 606 requires that you notify BSIS within 30 days of any change of address. In considering the address you list on the form, be aware that it will be your address of record and that it will be available to the public by tele phone, in writing, and through BSIS.

The license that you receive will specify an expiration date of 24 months after initial licensure. As a courtesy, BSIS will send a renewal notice to your address of record approximately 60 days prior to the expiration date of your license. However, it is your responsibility to renew your license whether or not you receive the renewal notice.
